PROJECTS

FOOD MUNCH HTML,CSS JS	OCT 2024 - NOV 2024
The project focuses on delivering a seamless and intuitive user interface with visually appealing layouts, ensuring easy navigation for users. It aims to create a joyful and culturally rich dining experience through modern web technologies like HTML, CSS, and JS,Bootstrap.	
MINI GAMES FRONTEND, REACT JS	JAN 2025 - MAR 2025
Mini games are small, engaging activities designed to provide quick entertainment and skill development. They often feature simple mechanics, making them easy to play yet challenging to master. Perfect for short breaks, mini games enhance problem-solving, reflexes, and creativity while keeping users entertained.	
NXT TRENDZ REACT JS	APR 2025 - JUN 2025
Nxt Trendz is a modern e-commerce platform designed to provide a seamless online shopping experience with a wide range of fashion and lifestyle products. The platform emphasizes responsive design, ensuring smooth navigation across devices for enhanced user engagement. It offers an intuitive interface that combines convenience, style, and functionality for today’s digital shoppers.
